

Synopsis

A snapshot of the chapter

Luke 5 relates several of Jesus early miracles. Jesus met some fishermen who would become disciples. He impressed them by telling them where to let down their nets to catch many fish. Next Jesus healed a man who was full of leprosy. Then he amazed the people by both healing a paralyzed man and forgiving the man's sins. The scribes and Pharisees accused Jesus of blasphemy for claiming to forgive sins. Jesus then met a tax collector named Levi. He called this man also to follow Him. Finally, Jesus was asked why His disciples did not fast often like the disciples of John and the Pharisees. He explained that his coming, like a bridegroom, is a happy time and that they would fast later when he was taken away.
