

## Synopsis

## *A snapshot of the chapter*

This chapter is filled with miracles interspersed with lessons from the Savior. It begins with Jesus sending out His disciples on their own to preach and heal in the cities of Galilee. When they returned to Jesus, a multitude of about 5000 persons heard Him preach. At the end of the day, Jesus miraculously fed all those people by multiplying five loaves and two fish. Following that, Peter affirmed that Jesus is the Christ of God and Jesus predicted His death and resurrection. That confession was proven when Jesus was transfigured before three apostles and God announced that Jesus is His beloved Son. There follows the healing of a boy and Jesus lessons on humility and the cost of discipleship.
